Head of Business Development and Investor Relations

Berufserfahrung : Senior Tätigkeit : SYZ Capital Niederlassung : Pfäffikon

ABOUT Syz CAPITAL

Syz Capital is a Swiss based Alternative Asset Manager specialized in Hedge Funds, Private Equity and Legal Assets. Syz Capital provides private and institutional investors unparalleled access to quality opportunities across Liquid and Illiquid Alternative Investment ecosystem. Uniquely positioned to understand the needs and challenges facing investors, Syz Capital's flexible platform offers diversified portfolios across the stages of the investment spectrum.

JOB SUMMARY

The Head of Business Development and Investor Relations will be responsible for capital raising initiative and all investor communication, as well as assisting firm's leadership with various strategic initiatives. The individual will also lead marketing efforts approved by the Executive Committee and help the investment team initiate new investment strategies. Highly cross-functional role, this position requires a well-rounded individual with superior people skills, strong investor connections in Europe and other key markets, deep technical knowledge across private markets and alternative investments. An organized individual with a precise mindset but creative mindset, a motivated self-starter with strong people management skills.

Ihre Aufgaben

Investor Relations

- Oversee company's investor reporting and general investor communication.
- Coordinate the preparation of quarterly and annual investor reports.
- Organize meetings with investors to review investment strategy and performance.
- In charge of CRM development and maintenance
- Interface with the investors community and be able to speak credibly about the investment process to develop investment opportunities.
- Support COO and operations team with Investor related matters (KYC, onboarding and closing)
- Co-ordinate and support the partner or PM responsible through fund launch process.
