

Operations Manager - Private Markets

Niveau : **Intermediate**

Activité : **SYZ Capital**

Bureau : **Pfäffikon/Freienbach**

As part of its strategic ambitions, SYZ Capital is strengthening its Operations Team, under the supervision of the Chief Operating Officer. We are looking for a person with experience in fund administration who is eager to learn about both Liquid and Illiquid Alternative Investments and to contribute to the team's success and development.

JOB SUMMARY

Working closely with the other Operations Managers and Private Markets Investment Team, the Operation Manager will support Direct Majority Investment, Diversified Portfolio, and Legal Assets Funds and manage the operational and administrative tasks on current investments and funds. The Operations Manager will provide administrative, organizational, and reporting/communication support to the Investment teams and directly report to the COO.

Responsabilités principales

- **Order Execution & Cash Management:**
 - Oversee fund operations liaison with Middle and Back office.
- **NAV Control:**
 - Support daily operations (incoming data handling, fund valuation check).
 - Review Fund accounting/finance and support Private Markets team with reporting duties.
- **Administration:**
 - Help with product launches: structuration, closing, equalization.
 - Review quarterly portfolio reporting pack (valuations, cash flows, and CAS prepared by administrators).
 - Provide administrative support to the local investment team, RFPs, DDQs, Investor Questions.
 - Maintain active relationships with third-party service providers such as administrators and banking relationships.
- **Regulatory:**
 - Manage annual audit on funds.
 - Support Business Development team with investor fund onboarding (KYC, AML) and liaison with administrators.
